## Pickle Ball Court Use Rules Version 02/2017

### Use of Courts

1. An Activity Pass issued by the HOA must be displayed while using the court. Anyone without an activity pass will be asked to leave. This the same PASS used for the pool.
2. First Come First Served. When players are waiting to play and both courts are occupied Players who complete a game go to back of the line.
3. Pickleball rules for scoring are in effect. Inventing personal scoring rules to prolong play will not be allowed. Each game goes to 11 points (win by 2).
4. Owners or tenants can only invite 3 additional players. They can use both courts if there are no other players. If additional players with an Activity pass arrive the original four players must move to one court.
5. No alcohol is allowed on the court. Bottled water and sport drinks are OK BUT No glass containers are allowed.
5. East Bay HOA is not responsible for injuries that occur on the court.

### Basic Etiquette

1. No shouting on the Court- this is a neighborhood-keep the noise down. Remind your guests.
2. Stop and ask permission to pass by an active court if you are trying to get to the far court or if leaving from the far court.
3. Be polite and cooperative to those playing on the other court.

### Safety

1. If a ball comes onto your court from another court, STOP PLAY AT ONCE. If you hit a ball into another court, immediately YELL "Ball On Court!" Don't chase the ball onto another court that is active. Wait for play to end and request help to get your ball.
2. The court should be clear from anything that could create a tripping hazard. Remove anything that blows onto the court before resuming play.
3. Athletic shoes must be worn; sandals and street shoes cause injuries and damage the court.
4. Hydrate and don't overdo it. Look for over exertion in others. Avoid diving for balls or running headlong toward a fence or the net to hit a ball.

- A maximum of 4 people from a single residence address can attend the Pickle Ball Court area, unless all such attendees are permanent residents of that unit.

-You Must Be a Compliant Qualified Owner or Tenant to be in the Pool area. Guests MUST be accompanied by the Owner or Tenant.

-If you are not a guest of an Owner or Tenant and have no Pool/Activity Pass, or not in good standing with the HOA an attendant may ask you to leave. Those not an Owner, Tenant or guest are considered TRESPASSING and will be subject to full prosecution allowed by law.
